

**ABOUT ARTIST OPEN HOUSE FREMANTLE**  
 Artist Open House Fremantle is a free community event. Take our short self-guided walking trail to see and buy artwork by local and interstate artists displayed in Fremantle homes.

Fremantle residents have volunteered their homes so that our carefully curated selection of artists can show their art in a domestic context. It is also an opportunity to meet the artists, many of whom help at the homes.

In a collaboration with stylist Jo Carmichael, we also have a Styled House where everything: art, furniture and furnishings, is for sale!

Volunteers are ready at each home to welcome you, so follow the dots and step inside.
